Dear Professor Bruck,

The Landscape Architectural Accreditation Board (LAAB) at its February 26, 2025, meeting granted accreditation for a period of six (6) years to the course of study leading to the professional MLA degree at University of Florida. This status is subject to review of an interim report to be submitted by December 1, 2026, together with annual reports and maintenance of good standing.

The interim report should provide an update, with documentation demonstrating compliance, when necessary, on each Recommendation Affecting Accreditation (RAA) from this Final Action Letter in order to demonstrate compliance, or steps towards compliance, with the respective standard. In accordance with LAAB policy, programs have up to two years to resolve their RAA(s). Upon receipt of the two-year Interim Report, the LAAB will accept that the RAA(s) have been addressed or, if not, the program will be given two more years to resolve the issues. A second Interim Report will be due to the LAAB on or before four years from the date of this Final Action Letter. If the RAA(s) are not successfully resolved or, in the case of longer-term issues, substantial and verifiable progress has not been made at that time (after four years from this Final Action Letter) then the program may be moved to provisional status, it may be suspended, or in some cases the program's accreditation may be revoked.

Accreditation is awarded on a time-certain basis. The six-year period of accreditation ends December 31, 2030. Accordingly, the MLA program at University of Florida is next scheduled for a review during the fall of 2030.

In making its decision, LAAB considered the program's self-evaluation report, the visiting team's report, and the program's response to the report.

Enclosed is a list of Recommendations Affecting Accreditation (to be responded to in the interim report via the process laid out above) and an Interim Report template. This list was developed by LAAB from the materials reviewed during the meeting.

On behalf of the visiting team, I would like to thank you for the hospitality extended to them by the faculty, staff, and students.

Sincerely,

A handwritten signature in blue ink that reads "Roxi J. Thoren". The signature is fluid and cursive, with the first name "Roxi" and last name "Thoren" clearly distinguishable.

SUMMARY OF RECOMMENDATIONS

Recommendations Affecting Accreditation

1. Create a plan for improving the visibility of the department programs to the university dean, provost, and president, reaching potential students using summer programs and high school/community college outreach for the undergraduate program, and increasing enrollment at the graduate level with community and global outreach to potential students (Standard 6).
2. Perform a comprehensive assessment of external accessibility into the CDCP buildings, Fine Arts building, and the Fine Arts Library and pursue corrective actions to bring the walkways, ramps, and wayfinding signage into compliance with the Americans with Disabilities Act (ADA) (Standard 7).
